GMO Free Statement

To Whom It May Concern:

No maize products produced by Corson Grain Limited and its subsidiary companies, including Defiance Maize Products Pty Ltd, are derived from genetically engineered or genetically modified maize crops.

The grain used is grown from hybrid maize seed developed using traditional plant breeding techniques.

New Zealand and Australian law prohibits the production of GMO maize.

Signed for and on behalf of Corson Grain Limited

A handwritten signature in black ink that reads "Daniel Prenter".

Daniel Prenter
Chief Executive Officer
